## Unauthorised entry prohibited

Entry to the top of Purling Brook Falls and surrounding rock platform shown in red on the map is prohibited without a permit or written approval.

Sheer cliffs, slippery surfaces and an unstable rock face make this site hazardous. Serious injuries or death could result from a fall.

Stay on formed tracks and behind the barriers at all times. Do not go beyond markers showing these symbols .

Contravention of a requirement of a regulatory notice is an offence under the *Nature Conservation Act 1992*.

Maximum penalty: 80 penalty units. On-the-spot fines apply.
