# Unauthorised entry prohibited

## Public safety and conservation

Entry is prohibited to the cliffs and surrounding areas, as shown on the map, without a permit or written approval.

- **Serious injury or death may occur due to the unstable geology**—sheer cliffs and loose rocks can give way at any time.
- The escarpment is habitat for endangered, vulnerable and near-threatened species such as *Westringia rupicola*.

Contravention of a requirement of this notice is an offence under the *Nature Conservation Act 1992*.

Maximum penalty: 80 penalty units. On-the-spot-fines apply.
