# Unauthorised Entry Prohibited

## Seabird nesting and sensitive forest

To protect nesting seabirds and sensitive pisonia forest, entry to this island—Rocky Islet (a), Three Islands Group National Park (see map)—is prohibited without a permit or written approval.

Nesting birds are easily alarmed and will leave their nests if disturbed. Eggs and chicks are then vulnerable to heat, cold and predators and can die quickly.

For further information phone 13 QGOV (13 74 68).

Contravention of a requirement of this notice is an offence under the *Nature Conservation Act 1992*.
