Koala Bushland Coordinated Conservation Area

Circuit distances and times are measured from a trailhead. Trails distances and times are measured from the trail start to end points.

Circuits and trails shared with walkers and horseriders

Circuit/trail name	Classification	Starting point	Circuit/trail colour code	Distance	Riding time
Plunkett mallee circuit		Don and Christine Burnett Conservation Area trailhead		2.4km	15min
Spotted gum circuit		Daisy Hill trail hub		5.2km	50min
Stringybark circuit		Daisy Hill trail hub		5.7km	1hr
Buhot Creek circuit		Daisy Hill trail hub		9km	2hr
4 Ripleys trail		Daisy Hill trail hub and branch off Stringybark and Buhot Creek circuits		2.2km	15min
5 Koala trail		Daisy Hill trail hub and branch off management road		1.1km	5min
10 Glider trail		Daisy Hill trail hub and branch off Buhot Creek circuit in Neville Lawrie Reserve		2.3km	15min
13 Sleepy hollow trail		Don and Christine Burnett Conservation Area trailhead and branch off Buhot Creek circuit		350m	2min

Trails shared with walkers (horseriders prohibited)

Trail name	Classification	Trail starting point	Trail colour	Distance	Time
6 Wiry panic trail		Don and Christine Burnett Conservation Area trailhead		1.6km	40min
7 Grasstree East trail		Don and Christine Burnett Conservation Area trailhead		860m	20min
15 Grasstree West trail		Don and Christine Burnett Conservation Area trailhead		830m	20min

Mountain-bike only trails (walkers, dogs and horseriders prohibited)

Trail name	Classification	Trail starting point	Trail colour	Distance	Time
1 Possum Box trail		Daisy Hill trail hub and The Fiveways		2.2km	10min
2 Chipline trail		Daisy Hill trail hub and The Fiveways		680m	5min
3 Lace monitor trail		Daisy Hill trail hub and Stringybark circuit		2.5km	10min
9 Jim Finch trail		Daisy Hill trail hub and Stringybark circuit		565m	5min
11 Gillians trail		Daisy Hill trail hub and Stringybark circuit		530m One way only	5min
12 Glossy black trail		Daisy Hill trail hub and Stringybark circuit		1.2km	7 to 12min
14 Jumping ant trail		Daisy Hill trail hub and The Fiveways		1.4km	7min
16 Flying cloud trail		Daisy Hill trail hub and Stringybark circuit		900m One way only	5min
17 Jims trail		Daisy Hill trail hub		1.5km	10min
18 Bronzewing trail		Daisy Hill trail hub and The Fiveways		1.1km One way only	10min
19 Bees knees trail		Daisy Hill trail hub and Spotted gum circuit OR Underwood Road entry		780m One way only	5min

In Daisy Hill Conservation Park, dog walking is not permitted on:

- mountain-bike only trails
- horseriding only trails.

Mountain bike trail classifications

Grade 2 track

- Wide trail with gentle gradient and smooth surface. Some obstacles such as roots, logs and rocks.
- Suitable for beginner mountain bikers with basic mountain-bike skills and off-road bikes.

Grade intermediate

- Trail with moderate gradients, variable surface and obstacles. May include steep sections.
- Suitable for skilled mountain bikers with mountain bikes.

Adventure safely

Make your ride is memorable for all the right reasons.
Choose the trail that suits your skills and experience.

Plan ahead

- **Always check weather conditions.** Visit—bom.qld.gov.au and qld.gov.au/ParkAlerts. During extreme weather periods (mostly in spring and summer) storms can occur, and high rainfall can flood some walking tracks resulting in closure for public safety.
- **Before leaving home, remove seeds, wash soil and mud from your clothes and shoes, your bike and equipment** to stop the spread of weed and pathogens.
- **Avoid riding in the middle of the day**, especially on hot days.
- **Let somebody know where you are going**, even on a short ride. Let them know when you plan to return and what to do if you're late.
- **Leave plenty of time to complete the rides in daylight** and if riding in a group, always keep together.
- **Ride a well maintained, good quality mountain bike.**

While in the KBCCA

Stay on trails and tracks where these symbols appear on directional signs.

- **Avoid skidding and sliding around turns** and downhill to prevent collisions and minimise trail damage.
- **Keep tracks in good condition** by not riding during or immediately after wet weather.
- **Respect areas closed to riding.** Ride on open trails only.
- **Avoid scaring horses**, talk or call out to oncoming horseriders and when approaching from behind.

If your tread sinks 5mm or more into the trail; you're doing damage!

Follow the give way code

- **Cyclists must give way to walkers and horseriders**, and alert others when approaching them.
- **Walkers must give way to horses.**

The essential packlist

- **Helmet and appropriate safety gear.**
- **Fully charged mobile phone**—reception may be poor in places but is sometimes possible from high points on the trail system. Save battery life by minimising use—you might need it to make an emergency call.
- **Adequate drinking water**—drinking water is not provided in the park.
- **First-aid kit** (including snake bite bandage) and know how to use it.
- **Insect repellent** to help prevent tick and other insect bites or stings.
- **Suitable footwear** and clothing for the activity you are planning.
- **Download a map for the KBCCA.**

Rider's tip

- **Look for these directional markers** and use them to navigate the circuits and trails.

For your safety

- If you see a snake, leave it alone and keep clear.
- Obey signs and regulations—they are in place to protect you and the park.
- Stay on the trails and circuits and observe all signs.
- Watch out for other trail users, wildlife and fallen branches.
- Be aware, shadows can hide uneven surfaces.

- **If you're new to mountain biking, choose trails with this symbol.**
- Ride with an experienced rider or consider joining a club markers.

Emergency marker code

Emergency markers are located at track and management road junctions throughout the park.

The **emergency marker code** assists emergency services (Police, Fire and Ambulance) in locating the emergency in the park.

Emergency

For all emergencies call Triple Zero (000), and if possible, recite the closest emergency marker code. Be aware, if there is no coverage on any mobile phone network, you will not be able to reach the Emergency Call Service via a mobile phone.
