Entry prohibited

The Chillagoe Smelter site, Chillagoe–Mungana Caves National Park (as identified on the map), is a restricted access area and entry is prohibited.

This is a former industrial site. The area is unstable and contains asbestos and other toxic contaminants. Serious injury, disease or death could result from entering these areas.

Contravention of a requirement of this notice is an offence under the *Nature Conservation Act 1992*. Maximum penalty: 80 units.

On-the-spot fines apply.
