

# Mon Repos Conservation Park and locality map

### Turtle tour season access changes

#### 15 October to 30 April

To protect nesting and hatching turtles:

- The Turtle trail (within the park) is closed from 6pm to sunrise (dawn).
- Beach access and the Mon Repos coastal track are closed from 6pm to 6am.

#### November to late March—evenings only

- Night visitor access is possible by participating in QPWS Ranger guided Turtle Encounter tours. Bookings are essential.
- Rookery Road will be open for parking for Turtle Encounter participants.
