

North of the Daintree River (Cape Tribulation section) map

Daintree National Park (CYPAL)

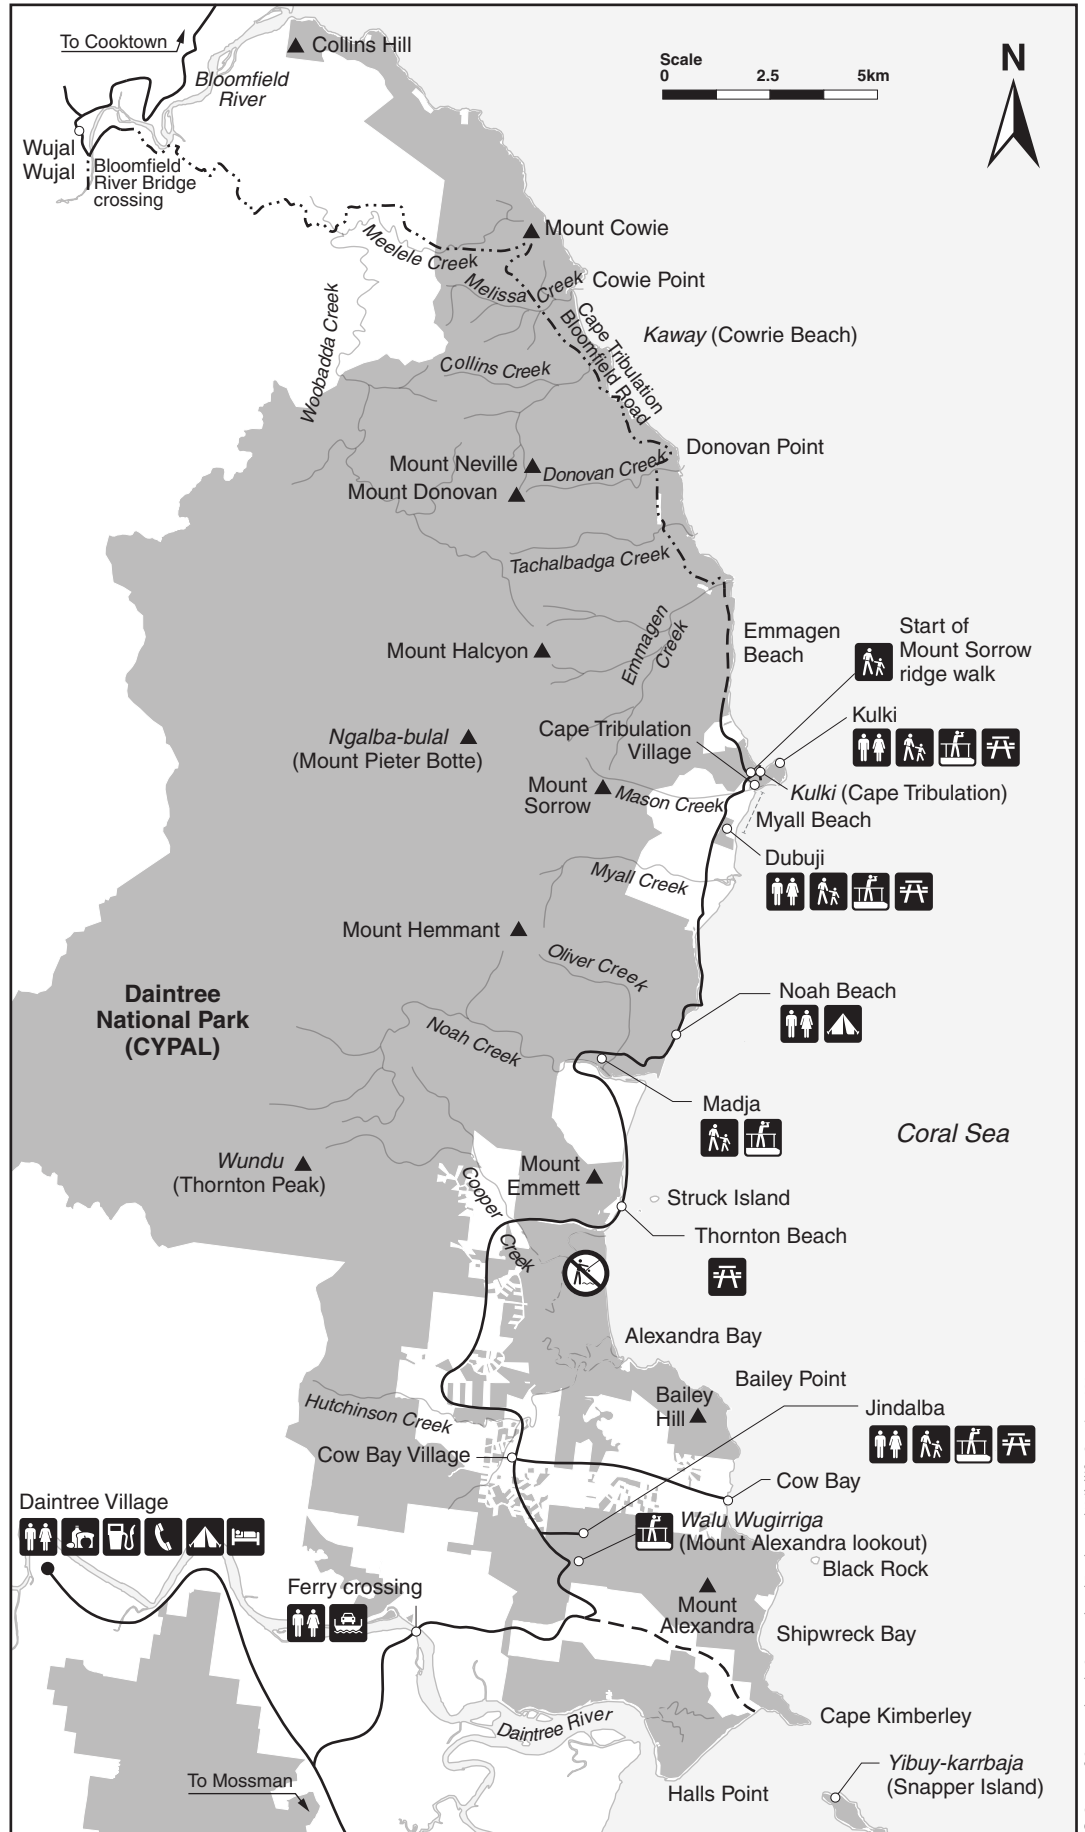

WARNING: Crocodiles are dangerous and you should never take unnecessary risks in crocodile habitat. Crocodiles are a hidden and unseen danger, without fear of humans. Even though you cannot see them, crocodiles may be close by. Always obey crocodile warning signs—stay out of the water and well away from the water's edge, especially when fishing. Supervise children closely. Report crocodile sightings to: 1300 130 372

WARNING: **Dangerous stinging jellyfish (stingers)** may be present in the coastal waters off Cape Tribulation section at any time, but occur more frequently in the warmer months. For your safety, always stay out of the water.

WARNING: Never approach cassowaries or their chicks as male cassowaries will defend them aggressively. Feeding cassowaries is illegal and dangerous, and has caused cassowary deaths—always discard your food scraps in closed bins. Please drive slowly and watch out for cassowaries crossing roads.
