Seabird nesting

To protect nesting seabirds, entry to this island—
Aplin Islet, Denham Group National Park (see map)—
is prohibited without a permit or written approval.

Nesting birds are easily alarmed and will leave their
nests if disturbed. Eggs and chicks are then vulnerable
to heat, cold and predators and can die quickly.

For further information phone 13 QGOV (13 74 68).

Contravention of a requirement of
this notice is an offence under the
Nature Conservation Act 1992.

Maximum penalty: 80 penalty units

On-the-spot fines apply
