Caution: The beach between Kooringal and Tangalooma is not always trafficable. Debris and shifting sand may make the beach impassable even at low tide.

Special protection zone and no high tide vehicle access at Mirapool. Vehicles must not exceed 30 km/hr below half tide. No vehicle access at high tide.

Beach safety zones provide added safety for pedestrians. All vehicles must not exceed 30 km/hr at all times in front of and between:
- Ben-Ewa and The Wrecks campgrounds, and
- Barge landing areas at:
  - Reeder’s Point
  - The Wrecks
  - Bulwer (20 km/hr).

Beaches are closed to vehicles in front of:
- Cowan Cowan settlement
- Tangalooma Resort

Due to creek crossings, low tide access only.

Distance markers are located on the ocean beach at 2 km intervals north (N followed by an even number) and south (S and an odd number) of Middle Road. In an emergency dial 000 or if no mobile reception try 112. If calling from ocean beach, advise operator of your closest distance marker. (Marker positioning not to scale)

Note: Four marine national park (green) zones for Moreton Bay Marine Park overlap beaches on Moreton Island. All forms of collecting including fishing are prohibited. For more details visit www.des.qld.gov.au
